CALL FOR SPEAKERS

Do you want a better return on your trade show investment? You are invited to speak at the **Florida Building & Facility Maintenance Show and Conference**. The one-hour session allows you to reach a qualified audience of industry professionals in a hands-on, direct capacity that could lead to sales! Sessions should be non-commercial in content.

BENEFITS:

- An opportunity to share your expertise with industry professionals.
- Address the audience you want to reach.
- Additional exposure for you and your company.

Please complete the following in full and return on or before **February 15, 2010**:

Please Note: After February 15 please contact your sales rep for Speaking Opportunities
